## COLTS HANG UP HIDE OF TIGERS

Champs Play Errorless Game Sunday and Keep Their Little Old Percentage at the 1000 Mark

### BROPHY IS SOME PITCHER

Yep, them Colts are invincible. You gotta hand it to 'em. They have only one more game to play, and if they cop the Bankers goat in that game they will have gone through the 1911 season of the Warren district city league without losing a game. The latest victim is the Tigers, who were taken into camp Sunday afternoon by the score of 12 to 5. The game was called at the beginning of the seventh on account of rain.

Contrasted on the dark background of the Tigers error column, the Colts played an errorless game, the first errorless game of the season, another record scored by the Colts.

Brophy, in the box for the Tigers, did splendid work and would have pushed the Colts close for the game if he had had the proper kind of support. The batting demons got only three hits out of the lead in the first three innings but horse plays in the infield multiplied the hits by three and gave the Colts five runs in the first three innings. Brophy hasn't got a goat and pitched good ball clean through a losing game. He has a good collection of curve balls and he mixes them cleverly.

Brophy Has No Goat

The Tigers had a chance to win when in the third, after scoring one in the first, they got three men across the plate. Little Engelder shone as he always does when he is given a chance. With Gill, Brophy and Barnum on bases, he lined out a three-bagger and brought home the runners. The score was then 4 to 2 favoring the Tigers, but Kelly put his team in the lead in the third by doing the same stunt, scoring Allen, Champion and Hicks. After this grand stand thriller, Kelly played Little Nemo on third and was caught a mile off base. The Colts widened the lead over the Tigers in every inning, scoring 1, 2, 4 respectively in the fourth, fifth and sixth innings. The game, in the meantime, had become a comedy of errors on the part of the opposition. T. Hughes partly redeemed his three errors at short by lining out a three-bagger in the first of the seventh and scoring Elliott, who had got base on balls. He was killed at home trying to burgle a run in the open.

Umpire Solomon was ill and his place in the pulpit was taken by Jack Hankins, who performed the duties of that strenuous position in a manner that won applause from the grand stand and sometimes from the players—sometimes. But all the best wasn't gone.

### 100-YARD ENTRIES TO CLOSE SEPT. 1.

All entries for the 100-yard dash to be pulled off on September 3 as a part of the Labor Day celebration must be in the hands of the chairman of that committee, Jack Foster, by September 1. It has been ruled by the committee.

It has been decided that there must be at least four entries for the contest and that all entrants must have been a resident of Cochise county for at least 30 days. The money donated by the celebration organization for this event, \$50, will be split into two purses, \$25 for the winner and \$25 for the second man. The entrance fees will be split in the same proportion between the first and second man.

### MINOR BASE BALL.

Outfielder Blitz, of the Peoria team is leading the Three I league in hitting.

Pitcher Dale, formerly with Peoria and Providence, is now back with the Dallas team of the Texas league.

Second Baseman Berghammer of the Keewauke Central association team has been sold to the Chicago White Sox.

President C. R. Williams has added Wilson to the staff of Virginia league umpires. Wilson is an old ball player.

Very few minor league clubs will make any money this season unless they are lucky enough to sell a player or two for a good price.

It is said that manager McGraw of the Giants had to dig to the extent of \$4,000 to land Outfielder Burns of the Utica team.

Pitcher Wolfgang, of the Lowell, New England league team, has won 22 out of 25 games pitched this season. He goes to the St. Louis Browns next season.

The St. John Marathons are leading the Provincial league in New Brunswick. Marathoners should be able to run the full distance in any old race.

Manager Mike Kelly of St. Paul, who sold O'Toole to Pittsburgh for \$25,000, has shirking on several minor league stars including George Hause, Duluth's premier twirler.

The "Bull" sign at the Jackson, Miss., park has been hit eight times this season, and Cotton States league players have drawn down \$400 for performing the stunt.

The Chicago Cubs paid the Youngstown club, \$4,000 for Pitcher E. Moseley. This is the highest price ever paid for a pitcher in the Ohio and Pennsylvania league.

It is a pretty safe bet there will be two more Millers in the big show next season. Outfielder Miller of Montreal and Pitcher Miller of Atlanta are both wanted by major league clubs.

Heavy Truby, the old Chicago player, who is smirking in the Mountain State league, had a run-in with a player the other day. When the player showed fight, Truby said: "Go on and sit down, I can give you rocks and I'll take bums and run you out of this park."

### BEACHY BREAKS THE ALTITUDE RECORD

CHICAGO, Aug. 21.—Officials of the International Aviation meet here today announced that the second reading of the barograph of Lilcohn Beachy, who yesterday broke the world's record for altitude in an aeroplane, shows that Beachy went 11,642 feet instead of 11,578, previously announced. The former record was 11,150 feet, held by Capt. Felix, director of the French army school of aviation.

A HAIR TRIGGER CONSTITUTION. Some one has said that animals have a hair trigger constitution, says Orison Sweet Marden in "Success Magazine." They go off on the slightest provocation, because they act from impulse. They do not know how to control themselves; the animal instinct dominates.

Self-control is the first condition of all achievement. It is said that the first sign of insanity is the loss of self control. When a person is no longer the master of his own acts, he is not only in danger, but any degree of achievement is impossible to him.

Even thought tends to result in an act, so that thought always leads. The mental attitude at any moment is the pattern which the life processes weave. The lives of many of us are grotesque crazy quilts.

## GOTCH INVENTS TWO NEW HOLDS

Friends of Iowa Champion Are Sure It Is All Up With "Hack"—Russian in Chicago

### IS IN SUPERB CONDITION

HUMBOLDT, Ia., Aug. 21.—George Hackenschmidt, who is to wrestle Champion Frank Gotch for the heavy weight wrestling title of the world on Labor Day at Comiskey park, Chicago, might just as well repack his trunk and his himself to the fatherland, if credence can be placed in the reports that come from the Gotch camp regarding the condition of the former mat artist and what he intends to do once he gets the Russian Lion into the ring.

An "expert" who refuses the use of his name, declares that Gotch has discovered a new hold which has the famous toe hold beaten to a frazzle. Even Manager Klack fears that there were the fine points of this discovery made public, the authorities immediately would legislate against it, owing to the desperate straits in which it puts the man who is unlucky enough to fall into the trap.

It hardly appears possible that if a new hold worth anything to the champion has been discovered or invented, it would be allowed to become public, but the "expert" referred to describes it to a certain extent and a person well up in the mat game probably could solve some way to break it. At any rate, this is what the "expert" says:

"As a deadly menace this new hold has the toe hold looking like a plugged nickel. Besides it is easier to execute. Unlike the toe hold, the ankle and thigh are slapped on entirely with the arms. Those who understand the laws of dynamics say that once obtained Gotch need only exert one pound of pressure to get 14 pounds of strain on the knee of the object of his attack. That one pound of pressure on the hip joint is equivalent to 22 pounds of strain."

With all these intricate points explained so fully—you will note nothing has been explained—it is up to Hack to run right back home. Gotch calls this new terror the ankle and thigh lock.

Manager Klack is authority for the statement that the champion has still another hold which will win just as easy as putting a horse down when all his legs are tied. This is called the "diplop," and results of its use resemble an aeroplane going through the air at the rate of a mile a minute.

A remedy suggested for Hack for safety if he falls into this trap, is to anchor himself to the floor of the arena. Reports from Gotch's camp say the big fellow has been offered a kind of inducement should he defeat Hack in the coming battle. Among them is a guarantee of \$50,000 for a tour of the world. This offer includes an option on the receipts, a valet for his personal attention, and two wrestling partners. The offer also holds out the additional bait of a potentially conducted big game trip in Africa to last seven weeks.

### "HACK" IN CHICAGO

CHICAGO, Aug. 21.—Looking better and stronger than he ever did, wrestling 225 pounds, and exhibiting confidence in his ability to wrestle the world's wrestling title from Frank Gotch at the White Sox ball park on Labor Day, George Hackenschmidt, the Russian Lion, arrived in the city last night. After watching the airships and the baseball game between the Sox and Athletics on the day of his arrival the wrestler was taken to his training quarters on the north side.

The big fellow did not lose any time in settling down to work. At 6 o'clock he covered five miles on the road, took a dip in the lake and sat down to a heavy meal prepared by the chef whom he brought from England. Hack was greatly impressed with his training quarters, and said it was an ideal spot for conditioning purposes. He did not attempt to do any wrestling yesterday, but he will take on American and German Koch in long bouts each day this week.

Hackenschmidt did a lot of work on the beach coming across and stood the voyage well. Herman Koch, who acted as his chief wrestling partner in England, was brought over as Hackenschmidt's guest and will do the bulk of the wrestling with the former champion.

"I am fit to wrestle Gotch tomorrow," Hack said as he sat in the Sheraton club's headquarters at the Sherman hotel. "When I met Gotch before I was a sick man and in no condition to wrestle. This time I will be a different man and I will show the wrestling public that I not only have improved in my wrestling but that I am a better man at the mat game than Gotch."

"If Gotch beats me I will return to England and may do a little wrestling, but I will be convinced that Gotch is my master. If I win I will give any one a chance to meet me for the title. I never believed in a titleholder not giving the challengers a chance."

## RHODES IS SOAKED

WITH FINE OF \$90

### Charged With Indecent Conduct—Other Cases Before Judge High

A fine of \$90 or the equivalent number of days in jail at the rate of a dollar a day, was the sentence imposed on L. M. Rhodes, an American, in Judge Morris High's court yesterday morning. The charge on which the man was arraigned was that of indecent exposure. The defendant plead that he remembered nothing regarding the affair and no other witnesses testified in court, though several were ready to swear to a story of repulsive details. It was alleged by the complainant that he had run two girls until they took refuge in the Catholic church and had pursued two others in Tombstone Canyon. The fathers of these girls were in court and one of them threatened to thrash the defendant in open court. The defendant was sent to jail but it is likely that the fine will be paid.

Cucla Diaz, a Mexican washer woman, was arraigned in court for taking \$20 from a trunk at an Opera Drive residence but the evidence was meager and the woman was discharged. The money, it was testified to, was in a handkerchief of feminine dimensions, \$10 to a corner, the handkerchief was in a hand bag, the hand bag was in a trunk and the trunk was in the house but proof was not given that the woman went in the house, so the case fell flat.

Leaf Stewart was fined \$7.50 for being drunk. Grant Danton was fined \$6 for the same and Dumas Rivers was given the same punishment. All three were committed to jail.

## THE LITTLE SOLDIER

AT THE ROYAL

The Royal Theater has added another big film success to their already long list, by securing the great Kalem release "The Little Soldier of '61," the most exciting and patriotic story ever portrayed in motion picture.

This exciting and patriotic story contains the most thrilling and realistic battle scenes ever portrayed in motion pictures.

"A BALD LIE," a farce comedy with laughs to burn.

"BIRDS IN THEIR NESTS," a colored educational picture surpassing those of a similar nature which have preceded it.

"STEAMSHIP OLYMPIA," a romance of a pretty little school-marm.

"THE SNAKE BITE," a western drama.

"A BALD LIE," an amusing comedy and a delightful rural schoolmarm story.

"A Country Cupid" will be shown.
